

OPTIC is minimalist recessed downlighting that can be moved on its horizontal axis. This light fitting allows an ambience suitable for retail spaces to be created, thanks to the orientation of the light beams. OPTIC is an elegant minimalist series, where the objects lit up take on a leading role. With a heat temperature of 3000K, this downlight allows warm, comfortable atmospheres to be created. The 56° version is perfect for lighting in restaurants and hotels, and also in exhibition rooms or museums.
